Re: Application No.: 09/936,904
Applicant: William C. Schuh
Entitled: SYSTEM AND METHOD OF LEAVENING WITH CARBON DIOXIDE
MONITORING
Attorney Docket No: 7377-000103

Dear Sir:

On April 5, 2004, we received a Notice of Allowance and Fees Due in connection with the above-referenced patent application (copy attached).

On July 1, 2004, Part B – Fee Transmittal and a check (check # 3880) in the amount of \$1,630.00 was filed with the US Patent and Trademark office. This check cleared the account on July 12, 2004 (copy attached).

However, in June 2004 the Examiner withdrew the allowance for this application and another Office action issued. Applicant received notice that the referenced application was withdrawn (copy attached) after the above payment had been filed.

Applicant did not request that this fee be refunded or applied to a deposit account as provided for by the instruction letter received with the notice of withdrawal of allowance.

On December 21, 2004, the USPTO sent a second Notice of Allowance and Fees Due, reflecting a total fee due of \$1700.00.

As such, Applicant requests that the previously paid issue fee payment of \$1630 be applied to the current required Issue Fee payment (herein enclosed). As such, the balance of the funds due in this regard is \$70, a check for which is attached herein along with the Second Part B-Fees Transmittal.

If more information is needed, please call me at the direct line listed above. Your assistance with this matter is appreciated.

Yours very truly,

David L. Howard
